

GUN VIOLENCE IN ILLINOIS'S  
FIRST CONGRESSIONAL DISTRICT

**HON. JONATHAN L. JACKSON**

OF ILLINOIS

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 29, 2023*

Mr. JACKSON of Illinois. Mr. Speaker, I rise today with a heavy heart in the aftermath of another mass shooting in Tennessee that claimed 6 lives, including 3 innocent children. I stand here as a representative of a district plagued by the epidemic of gun violence.

Chicago, our beloved city, suffers from a firearm homicide rate that overshadows other major U.S. cities. From 2018 to 2022, almost 14,000 shooting incidents have scarred our communities and shattered countless families.

As I speak on this matter, I must emphasize the disproportionate impact on our Black communities. In our state of Illinois, Black individuals are 32 times more likely to die by gun homicide than their White counterparts, a rate triple the national average. This is not just a statistic; it is a heart-wrenching reality and a gross injustice that we must confront and dismantle with unyielding determination.

Our children, the beacons of hope for our future, suffer most in the face of this violence. Firearms are the leading cause of death for children in Illinois, claiming an average of 183 young lives each year. The stark truth is that in Illinois, Black children and teens are 13 times more likely to die from gun violence than their White peers. Around 60 percent of Chicago's youngest children live in communities where 91 percent of homicides took place.

Our children's mental health continues to deteriorate under the burden of fear and anxiety from exposure to gun violence. Over 1 in 4 parents report their children hearing gunshots at home, and 1 in 5 parents say their children's mental health has been negatively affected.

It is our responsibility as lawmakers and leaders to bring forth meaningful change. We must start by implementing comprehensive background checks, closing the gun show loophole, and investing in mental health services for those affected by gun violence. We must pass the assault weapons ban to remove military-style weapons from our streets, prohibit unlicensed firearm ownership, and mandate that firearms transfers occur only with a valid license.

Additionally, we must establish and maintain a federal record of sale system and conduct fingerprint-based nationwide criminal background checks. Had these measures been in place, the gunman who killed 5 people in Aurora, IL in 2019 might have been prevented from acquiring the firearm used in the shooting.

Our children, our communities, and our Nation deserve better. We must be relentless in our pursuit of a safer, brighter future. Let us be united in our resolve, with hearts full of passion and eyes set on the prize of a peaceful tomorrow. Together, we can turn the tide of gun violence and restore hope to our great Nation.

Mr. Speaker, let us join hands in this righteous fight.

RECOGNIZING THE SERVICE OF AJ  
GUNTHER

**HON. ROBERT J. WITTMAN**

OF VIRGINIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 29, 2023*

Mr. WITTMAN. Mr. Speaker, I rise today in recognition of Allen "AJ" Gunther and his service to Virginia's First District and the Nation.

Prior to joining my office, AJ served as a Chaplain in the U.S. Army where he participated in humanitarian operations in Haiti, as well as a tour in Afghanistan and South Korea. He now serves as a Chaplain in the U.S. Army Reserves.

AJ joined my Tappahannock office in April 2021 as a Wounded Warrior Program Fellow and served in that role until April 2023. He helped resolve countless constituents' problems with federal agencies, contributing tremendously to providing the best constituent service in Virginia and the Nation. He has been a friendly and effective representative for myself, my team, and my work throughout the First Congressional District of Virginia and the Tidewater region.

I would like to thank AJ for his dedicated service over the last two years. He has been a key member of my district office team, and I wish him and his family the best as he moves on in his journey.

Mr. Speaker, I ask you to join me in recognizing and thanking AJ Gunther for his service to Virginia's First District and the Nation. May God bless AJ and his family in whatever endeavors he pursues next.

HONORING THE YEARS OF SERVICE OF MS. WENDI LIPSICH IN THE HOUSE OF REPRESENTATIVES

**HON. JARED MOSKOWITZ**

OF FLORIDA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 29, 2023*

Mr. MOSKOWITZ. Mr. Speaker, I rise today to thank my District Director, Ms. Wendi Lipsich, for her remarkable 26 years of public service in the House of Representatives.

Since the age of 26, Wendi has been instrumental in helping multiple Members of Congress successfully serve our constituents. Wendi launched her career as a Congressional District Director to former Congressman Robert Wexler in 1997, soon after she graduated from the University of Miami Law School. While working for Congressman Wexler, Wendi married her husband Todd, and had 2 beautiful children, Taylor and Joey.

In commemoration of such a noteworthy career, I would like to relay a message from Congressman Wexler:

With an infectious smile and positive spirit, Wendi Lipsich has been a public servant in the truest sense for three decades. Wendi has helped countless people solve problems big and small. Everyone—and I mean everyone—loves Wendi. And for a good reason. Wendi personifies impeccable character and integrity. What joy it was for me to work alongside Wendi for 15+ years. The people of Palm Beach and Broward Counties owe Wendi enormous gratitude for her never-end-

ing dedication and kindness. Wendi is one of a kind, amazing!

Immediately after Congressman Wexler retired, she was hired as the District Director for my predecessor and friend, former Congressman Ted Deutch, from 2010 to 2022. Congressman Deutch had this to say about Wendi:

Wendi is more than the district director. She is and will continue to be a good friend to anyone needing assistance. Even if it's not related to Congress, people know Wendi will happily do anything she can to try to help them. She cares so deeply about our community and about all of the talented people she has worked with to help our constituents. Everyone, literally everyone, loves and appreciates Wendi Lipsich.

Mr. Speaker, I have always known Wendi to be a selfless public servant, and I am eternally grateful for her service to the constituents of Florida's 23rd Congressional District.

In addition to enjoying her professional life, Wendi goes above and beyond to give back to her community. She is the founder and Co-Chair of the Boca Raton Lupus Walk with the Alliance for Lupus Research and continues to play an active role in raising awareness and funds to help cure lupus. Wendi has also been the Hillel of Broward and Palm Beach Board Member and Chair of the Student Life Committee, Guardian Ad Litem Child Advocate with the 15th Judicial Circuit of West Palm Beach, Jewish Federation of South Palm Beach County, Business and Professional Cabinet Co-Chair and Board Member, KidSafe Foundation Board Member, Spanish River Community High School Foundation Board Member, Junior League of Boca Raton's Volunteer of the Year honoree, Democratic Professionals Council of Palm Beach County, Alliance of Delray Association, Democratic National Convention Delegate and a supporter of many other charities.

Mr. Speaker, please join me in celebrating my friend and colleague, Ms. Wendi Lipsich, as she embarks on the next chapter of her career. I am eternally grateful to her for her years of service to our Nation and wish her all the best.

RECOGNIZING CUSTER GALLATIN FISHERIES BIOLOGIST CLINT SESTRICH FOR EARNING THE OUTSTANDING FISHERIES PROFESSIONAL AWARD FROM THE MONTANA AMERICAN FISHERIES SOCIETY

**HON. MATTHEW M. ROSENDALE, SR.**

OF MONTANA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 29, 2023*

Mr. ROSENDALE. Mr. Speaker, Montana's biodiversity and breathtaking natural beauty attract countless researchers and naturalists to our great state. This makes Clint Sestrich's recognition as this year's Outstanding Fisheries Professional by the Montana Chapter of the American Fisheries Society particularly impressive.

Clint became a member of the fisheries society in 1997 and has led multiple conservation efforts over the past 25 years. He distinguished himself on numerous occasions for his stewardship of Montana's fish populations, including his work on the Upper Shields YCT

restoration and conservation project, the Buffalo Creek Restoration project, and by securing \$1.5 million in funding for the Slip and Slide Creek Wetland Restoration and Curlyleaf Pondweed Eradication Project.

But Clint's biggest contributions to preserving the natural splendor of Montana's fisheries came from his recent leadership on the restoration of Yellowstone cutthroat trout in the Custer Gallatin National Forest.

Clint Sestrich's commitment to conservation will undoubtedly benefit Montana wildlife for generations to come. His dedication stands as a stark example of the work all Montanans can do to preserve the natural world.

I'm honored to stand with the Montana American Fisheries Society and all fisheries biologists by recognizing Clint's inspirational service to conservation, and it is my privilege to acknowledge his work in the United States House of Representatives.

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 29, 2023*

Ms. LEE of California. Mr. Speaker, on Monday, March 27, 2023, I was unavoidably detained and unable to cast my vote on two roll call votes. Had I been present, I would have voted YEA on Roll Call No. 163, and YEA on Roll Call No. 164.

#### PERSONAL EXPLANATION

**HON. VAL T. HOYLE**

OF OREGON

IN THE HOUSE OF REPRESENTATIVES

*Wednesday, March 29, 2023*

Ms. HOYLE of Oregon. Mr. Speaker, although I am not able to come in to vote because I have COVID-19, I want to make clear my position on Roll Call No. 167, Boebert amendment No. 2 to H.R. 1. This amendment would add a Sense of Congress expressing disapproval of the State of Oregon's denial of permits for the now defunct Jordan Cove Nat-

ural Gas facility in Coos Bay. Had I been present, I would have voted against this amendment.

The Jordan Cove Energy Project would have built a Liquefied Natural Gas (LNG) export terminal and pipeline in Oregon's 4th Congressional District. Initially I supported this project as it provided an opportunity to bring good-paying union jobs back to Oregon's south coast and support a region still working to economically recover from the collapse of the timber industry.

The federal government and the state of Oregon have environmental laws and robust standards in place to ensure that significant projects are in the public's interest. As Oregonians, we demand accountability and will stand in defense against polluting our water or destroying our ecosystems.

The amendment on its face is ridiculous. The failure to move forward and build the Jordan Cove Energy Project is not the fault of the State of Oregon. Multiple state agencies conducted a thorough and fair review of the project. While some permits were denied, the project sponsor ultimately withdrew their application. In fact, the Oregon Department of State Lands granted the project sponsor multiple extensions to share the necessary information to process the permit. Blame for the withdrawal does not lie with the State of Oregon, nor the federal government.

Bringing high-quality jobs back to Southwest Oregon has been and continues to be a top priority of mine. We can do that while also protecting our environment and without building new fossil fuel infrastructure.

We are working to rebuild our middle class by bringing in good paying jobs and supporting our rural economies. That's why I am joining a broad coalition of people to support the Port of Coos Bay's container terminal project which would bring the West Coast's first ship-to-rail container port to Oregon. This container project has the potential to bring up to 9,000 new jobs to my congressional district and relieve supply chain congestion, all while reducing greenhouse gas emissions. I'll continue to focus my energy on real solutions for everyday Oregonians and Americans as opposed to dwelling on the past.
